EXAMPLES OF HOW TO USE YOUR ASSISTANCE PROGRAM

When you are on a business trip, International SOS doctors and assistance coordinators are available 24/7 to:

We PREPARE YOU... before you travel

Find out all you can about the city and country you are traveling to including medical recommendations and required vaccinations, etc.

- What medication do you take with you? Are there any customs restrictions?

We TAKE CARE of you... while abroad

Contact us for medical advice, to be referred to a doctor or a specialist or for up-to-date travel information, etc.

- You have a dental problem and want to consult a dentist who speaks your language
- You have learned through the local media that there are number of confirmed cases of Zika and you want to know how to react

We ASSIST YOU... in the event of a medical emergency

Whether you require a hospitalization, evacuation or repatriation for health reasons, assistance is available to you at any time.

- You have been hospitalized for a medical emergency and you want to know how to manage your medical expenses
